▶ Parkhills Preschool is a Parkhills Baptist Church weekday ministry for children age 6 months (as of Sept 1st) through pre-kindergarten. Classes meet on Tuesdays and Thursdays during the months of September through May. We provide a program that allows children to grow and develop as Jesus did — “in wisdom and stature” and “in favor with God and man” Luke 2:52. Our school provides opportunities for children to learn about God’s world and how to live in it.

At Parkhills Preschool, our focus is to instill a love of Jesus and a love of learning. We are a school that seeks to foster and nourish each child as they grow physically, emotionally, mentally, and spiritually.

▶ Individual, small group, and large group activities are planned to meet the specific needs and interest of each age group.

Every child, from our youngest baby to our oldest Pre-Kindergarten student, is learning throughout their day. Whether they are learning how to crawl or walk in line, or whether they are learning shapes, numbers, letters, and how to write, they are acquiring knowledge and skills that will advance them to the next level in the learning process.

Every age group enjoys Music class each day. Children ages 2 and up will also attend Big Church and Spanish class.

Our 3 year old and Pre-Kindergarten classes incorporate the Get Set for School program which is an introduction to the Learning Without Tears curriculum. This curriculum includes materials for handwriting, pre-reading skills, and math concepts, and is a Kindergarten ready program. This curriculum is used in conjunction with units of study such as Community Helpers, weather and seasons, space, math, science, reading, social studies, and much more.
